## Term 3 Week 1

Thursday 26th July 2018

*Dear Parents/Carers,*

*Now may the Lord of peace himself give you peace at all times in all ways.*

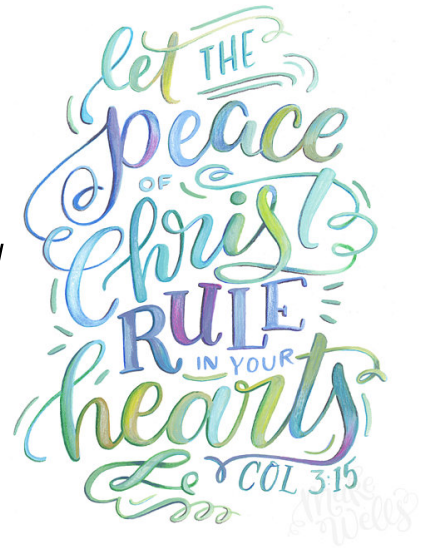

*The Lord be with all of you.*

*2 Thessalonians 3:16*

*I celebrate today the peace that's from you and that's with me through all my days and never lets me down. God, your peace is my cornerstone, upon which I build the foundation of my life. In your peace, I spread peace to my family and friends, and to my community, for this indeed is a world that needs more peace. Blessed am I to have found that peace in you, God.*

*Great are the blessings of those who have peace in Christ.*

*May we all feel the love and peace of Christ throughout Term 3.*

It was wonderful to see our children return to school this week after their holiday break. The children were excited to reconnect with their friends and teachers and eager to continue their learning. The staff of St John's look forward to working in partnership with our community again this term towards achieving our goals and our prayer for this term ... to create peace in our families, classrooms and community.

**Our next Staff Development Day will be on Monday 27th August 2018.**

**Please mark your calendar as no students attend school on this day.**

## **Parent Teacher Interviews**

Parent / teacher interviews were held in the last week of Term 2. During the interview parents / carers had the opportunity to discuss the mid-year report

and the progress and achievements of their child with teachers. I encourage our parents / carers to support their child in their learning by working with their child in the second semester on the recommendations discussed and goals set during the interview. If for some reason you were unable to meet with your child's teacher I encourage you to arrange a meeting early in Term 3.

## **Congratulations Kindergarten – 100 Days of Kindergarten**

On the last day of Term 2 our Kindergarten children celebrated their first 100 days of learning at St John's.

The children participated in engaging learning experiences and activities that focused on the concept of '100.' The children were very excited to share their learning with parents / carers who were able to join them throughout the day. They also enjoyed showing-off their capes, crowns and glasses (they created) to the community at the 100 days of learning parade. Miss Saliba prepared a wonderful slide presentation showing highlights of ES1 learning experiences which was shared at our Friday afternoon assembly. We were all very proud of our youngest students as they showcased their learning.

## **Minor Capital Works Grant**

I have some exciting news to share with our community. At the beginning of Term One I applied to the CEDP for a minor capital works grant and submitted a business plan outlining our need to further improve our school site. I recently received confirmation that our application has been approved. Mrs Hearnden and I have recently met with the Infrastructure & Development Team from the CEDP to discuss some possibilities for site improvements of St John's. Work to be carried out will include site access / school carpark upgrade, improving facilities, office facelift, general site presentation and enhancing street appeal. I have also had discussions with the CEDP in regards to the long term vision and plans for St John's which will require major capital work in the future. The development of Riverstone will impact on our school population; our enrolments will grow in the coming years and we will need to meet the challenge to ensure that we provide the best possible learning and teaching environments for students and staff as we move forward. I will keep our community up to date with the progress of this project.

## **Principal's Cuppa and Chat**

On Friday 3rd August I invite you to attend a Principal's Cuppa and Chat in the library. These meetings give us further opportunities for an informal chat. Please come along and share your thoughts and ideas. Looking forward to meeting with you.

## **Children's Work Books Coming Home**

Over the coming weeks the children will be bringing home their work books to share with you.

We will start next week with the Religion books. We will then send home the Maths books, English books and so on... Please take the time to look through, discuss and enjoy the learning your child has undertaken. Please remember that that not all learning undertaken in Key Learning Areas is recorded in work books.

We encourage you to write a comment to your child in their book after their last piece of work.

Children treasure your comments and it allows us to see that the book did indeed leave the school bag and that you have taken the time to walk through it with your child. We ask that the books be returned promptly the next day so that your child can continue their written work in the appropriate book.

## **Tell Them From Me Survey**

Again, I thank parents / carers who completed the 'Tell Them From Me' survey providing your thoughts and feedback that is vital to St John's decision making processes in regards to school improvements.

School 'communication' has once again been identified by a few parents as an area in need of further attention. As communication is an area that we continually work on improving I invite suggestions / ideas from our parent community. Our current communication systems include the following:

Parent newsletter, website, Facebook, Skoolbag, notes, curriculum overview each term, parent teacher interviews and term planner. A survey note will come home this week giving all parents / carers the opportunity to share their thoughts / ideas on further improving communication at St John's.

## **Friday Assembly**

In order to maximize learning time the teaching staff have decided to trial fortnightly Friday afternoon assemblies. Preparation for assembly, particularly for our Stage 3 students can be quite time consuming. We are also proposing to make some changes to the format; adding a segment to showcase learning. Assembly will commence a little earlier - 2.20pm. The assemblies this term will be held in weeks: 1, 3, 5, 7, 9.

*God Bless Patrícia*

*Please pray for those in our community who are ill or have family members who are suffering from illness at this time.*

*We ask for God's healing love to surround them.*

We are in urgent need of winter uniform items for our secondhand uniform shop, please consider donating your unwanted uniform items that are in good condition. Please drop off at the school office and thank you for your support.
